

Considering Quality: Assessing Your Manuscript

In addition to Felten's and Killen and Gallagher's criteria, journals often share their criteria or even rubrics. A few examples are below.

Rubrics & Criteria from a Few SoTL Journals

- *Rubric for Teaching & Learning Inquiry (scroll all the way down to "Reviewer Guidelines")*
- *Criteria listed by The International Journal for the Scholarship of Teaching and Learning*
- *Rubric used by Transformative Dialogues*
- *The criteria adopted by The Journal of the Scholarship of Teaching and Learning*

Use
some

these tools to self-assess your manuscript, and offer one as a guide a colleague who's willing to read and respond to your manuscript.
